Dear Johny

Thank you for taking the time to meet and show me around Grassroots on Wednesday 8th June.

I thoroughly enjoyed speaking with members of the group and discussing their role in improving relationships between people of different faiths and celebrating what they have in common across boundaries. It was also good to hear about the diversity of projects which are being undertaken and the way that the whole community is being brought together through this. It is my hope this Grassroots will continue to be an example of how to be proactive in engaging with young people and promoting community cohesion.

Thank you once again for taking the time to show me around Grassroots.

With warm regards,
G

THE RT HON GREG CLARK MP
